Puppy Holding Agreement

NON-REFUNDABLE AGREEMENT

Breed:	Full AKC:
Sire:	Male or Female
Dam:	Deposit amount:
Birth Date:	Final Price:

1. This priority wait list fee and Holding Deposit is **non-refundable**. If you choose to remove your name from our list, or fail to select a puppy within one year of joining our list, your forfeit your \$100 priority wait list fee. If you have placed a holding deposit of \$200 on a puppy, and we at **Puppy Wags & Kisses** deem the puppy you placed your deposit on as unhealthy for sale, or dies by natural causes or accident, you can choose another puppy from the same litter, or wait until the next litter and be moved to the top of our priority list. This also means that **if you have selected a puppy and suddenly change your mind and decide you do not want the puppy, you will forfeit your \$100 Priority Wait List fee and \$200 Holding Deposit. No exceptions.**

2. The total Holding Fee and Holding Deposit of \$300 will be applied to final purchase price of puppy.

3. Holding fees ARE transferable to another available puppy within the same litter at any time, or if seller determines puppy chosen is unfit for sale. If buyer wants to wait for another litter **after** having a specific puppy reserved for them, that **puppy must be younger than 6 weeks to do so**. If buyer no longer wants the puppy that the deposit was placed on and puppy is over 6 weeks old, their deposit is considered forfeited at that time and **Puppy Wags & Kisses** has no further obligations to buyer.

4. If Buyer chooses to wait for a different litter than the one they had initially placed their deposit on:

1- Buyer will be placed at the bottom of our priority waiting list and only be allowed to stay on the waiting list for one year.

2- If another puppy matching their specifications never becomes available during that time, the buyer's deposit will be considered forfeited.

5. Puppies go home at 8 weeks (unless another date has been agreed upon). If not picked up by 8 weeks, an additional charge of \$10/day for boarding and extra medical expenses may be required. We do try and arrange shipping if the buyer would like it. If shipping plans fall through, or are not working out, it is ultimately the responsibility of the buyer to come and get their puppy.

6. Puppies will be shown/picked-up at a public location for safety purposes.

7. Because of our work schedules, activities, and time requirements with our puppies, we only take and send pictures once per week. This will usually happen on the weekends.

8. We only accept CASH at pick-up if you are picking up your puppy in person. If we are shipping him/her to you, we will make other arrangements for final payments.
